學生作業(自我介紹):

SELF-INTRODUCTION

Hi~ my name is Doris. I'm 13 years old. There are four people in my family, my mom, my dad, my twin brother and I. I think I'm very lively, but sometimes shy. My parents often take us to go camping, and we have a camping group! In free time, I like to write dairies and chat with friends! I have a pet at home a "Leopard Gecko". You might think it's a little bit scary, but it won't bite and it is as gentle as a lamb.

Hi everyone, my name is Ivy. I'm 13 years old and study in original junior high school. I'm a homeschool student when I'm grade one. I had a many hobbies, mostly I will watch American series, take examples, like "Sherlock Holmes elementary", "Friends", "Suits", there all my favorites American series. Besides American series, I also love Korean hip-hop program shows, "Show me the money" was my favorite hip-hop show, even episode was so suspenseful, I was on pin needles the whole time!

Alright, this is my family. There're four members in my family, my dad is a architect of buildings and my mom is a scrivener. There job are such pretty cool, I saw them in the news and some magazines. I had a younger brother, he is 11 years old, we're both lively, we love to make friends and we're confident for everything. He is a good boy, even though he didn't respect his sister (that's me), I still love him very much. My parents they love travel and camping (above this photo was last year winter when we're camping). My family are really active and crazy, the funny point is, all the pictures of my family that I had, is all crazy and insane lol.

My family is very happy, we often joke with each other.

This is our family. We have a very happy life.

They are my family.

My dad is the guy in the green shirt, he is a humorous man, he is recently devoted into violin. The woman at the left is my mom. She is very nice but she has Mysophobia—she can't tolerate any dust in her vision. The girl she's holding is my sister. She might be a bit noisy, but she is a sweet, adorable girl.

81801 Benjamin

Hello everyone, my name is Benjamin. I am 13 and I am the first child in my family, and when I was six, my sister was born. We are a harmony family.

This is me. I play the violin and also the piano. I'm very glad that my parents pay for my musical classes so whenever I'm feeling bored, I have a better option than turn on my computer. But still, I like to play games.

Michel Petrucciani is my favorite pianist. He was born with a disease that makes his bone weak. But he is still a spectacular pianist.
